### **Help Pass a Resolution in support of the Civil Liberties, Safety, and Human Rights of ALL Yarmouth Residents and Visitors**

**Just as the Barnstable Town Council did back in August, we are urging the Yarmouth Select Board to pass this Resolution in support of our immigrant friends, neighbors, and communities.**

### **Proposed Resolution:**

The Yarmouth Select Board does hereby affirm the Town of Yarmouth’s commitment to the values of freedom, justice, and equality for all Yarmouth residents and visitors and to supporting residents and visitors in leading lives of peace and dignity free from fear, harassment, and violence, and to that end, further resolves that the Town of Yarmouth and its officials and employees shall:

- Continue to comply with all applicable provisions of state and federal law, including the Massachusetts Constitution, which guarantees equal protection of the laws to all people, regardless of nationality, citizenship, or immigration status; and
- Continue to protect the civil liberties, safety, and human rights of all Yarmouth residents and visitors regardless of age, race, religion, ethnicity, ability, sexual and gender identity, marital, or economic status, citizenship, and immigration status.

**Let your voice be heard with your presence!**  
**Your participation will speak volumes! Please try to arrive by 5:50pm.**

### **Would you like to speak in support of the Resolution?**

Especially if you are a Yarmouth resident, work in Yarmouth, or have a story to share about the huge importance of supporting our immigrant friends, neighbors, and communities during this frightening time, **please consider speaking and sharing your story at this Select Board meeting.**
